REMARKS

An Examiner's Interview Summary Record (PTO-413) was attached with the PTO communication dated March 23, 2004.

During the interview, the status of the Amendment filed February 23, 2004 was discussed. In particular, the Examiner indicated that February 23 Amendment will not be entered because new claim 22 and the amendments to claims 1, 17 and 21 raise new issues that would require further consideration and/or search. No other issues were discussed during the interview.
